4. PERFORMANCE OBJECTIVES

- 4.1 The Performance Plan (**Annexure "A"**) sets out:
- a) The performance objectives and targets that must be met by the employee; and
 - b) The timeframes within which those performance objectives and targets must be met.
- 4.2 The performance objectives and targets reflected in Annexure "A" are set by the employer in consultation with the employee and based on the Multi-Year Business Plan, Service Delivery and Budget Implementation Plan (SDBIP) and the Budget of the employer, and shall include key objectives; key performance indicators; target dates and weightings:
- a) The Key Performance Objectives describe the main tasks that need to be done.
 - b) The Key Performance Indicators provide the details of the evidence that must be provided to show that a Key Performance Objective has been achieved.
 - c) The Target Date describes the timeframe in which the work must be achieved.
 - d) The Weightings show the relative importance of the Key Performance Objectives to each other.

5. PERFORMANCE MANAGEMENT SYSTEM

- 5.1 The employee agrees to participate in the Performance Management System that the Board of Directors approved and introduced for the employer to manage the performance of its staff.
- 5.2 The employee accepts that the purpose of the Performance Management System is to provide a comprehensive system with specific performance standards to assist the employer, its management and staff to perform to the standards required.
- 5.3 The employer will consult the employee about the specific performance standards that will be included in the Performance Management System as applicable to the employee.
- 5.4 The employee undertakes to focus actively on the promotion and implementation of the Key Performance Areas (KPAs) (including special projects relevant to the employee's responsibilities) within the Service Delivery and Budget Implementation Plan.

- 5.5 The employee's assessment will be based on her performance in terms of the outputs/outcomes specified in the attached Performance Plan.
- 5.6 Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan, as well as the actions agreed to and implemented that must take place within set timeframes.
- 5.7 The criteria upon which the performance of the employee shall be assessed consist of the following components, all of which shall be contained in the performance plan:
- i) The employee must be assessed against both components with a weighting of 80:20 allocated to the Key Performance Areas (KPA's) and the Leading and Core Competencies respectively. Both the Leading Competencies and Core Competencies consist of competencies each, with the Leading Competencies having twenty driving competencies that communicate what is expected for effective performance in the municipality; on the other hand, the Core Competencies act as drivers to ensure that the leading competencies are executed at an optimal level. There is no hierarchical connotation to the KPA's and Competencies and all KPA's and Competencies are essential to the role of the employee to influence high performance. All KPA's and Competencies are therefore considered as measurable and critical in assessing the level of the employee's performance.
 - ii) Each area of assessment will be weighted and will contribute a specific part to the total score.
 - iii) KPA's covering the main areas of work will account for 80% and Competencies will account for 20% of the final assessment.
- 5.8 Despite the establishment of agreed intervals of evaluation, the employer may in addition review the employee's performance at any stage while the contract of employment remains in force.

6. EVALUATING PERFORMANCE

- 6.1 The employee shall submit the quarterly performance report within thirty (30) working days after the end of the quarter, which will be supported by relevant and sufficient documentary evidence.
- 6.2 The quarterly performance reports, including the supporting evidence, shall be subject to both internal and external audit.
- 6.3 The evaluation of the employee's performance will form the basis for rewarding outstanding performance or correcting unacceptable performance.
- 6.4 The annual performance appraisal will involve:

6.4.1 Assessment of the achievement of results as outlined in the performance plan:

- a) Each KPA shall be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to *ad hoc* tasks that had to be performed under the KPA.
- b) An indicative rating on the five-point scale shall be provided for each KPA.
- c) The applicable assessment-rating calculator must then be used to add the scores and calculate a final KPA score.

6.4.2 Assessment of the Leading and Core Competencies Requirements (L&CCR)

- a) Each Leading and Core Competency Requirement shall be assessed according to the extent to which the specified standards have been met.
- b) An indicative rating on the five-point scale shall be provided for each Leading and Core Competency Requirement.
- c) This rating shall be multiplied by the weighting given to each Leading and Core Competency Requirement during the contracting process, to provide a score.
- d) The applicable assessment-rating calculator must then be used to add the scores and calculate a final Leading and Core Competencies Requirements score.

6.4.3 Overall rating

- a) An overall rating shall be calculated using the applicable assessment-rating calculator. Such overall rating shall represent the outcome of the performance appraisal.

6.5 The assessment of the performance of the employee will be based on the following five-point rating scale for both KPAs and Leading and Core Competencies Requirements:

Level	Terminology	Description	Rating				
			1	2	3	4	5
5	Outstanding Performance	Performance far exceeds the standard expected of an employee at this level. The key appraisal indicates that the employee has achieved above fully effective results against all performance criteria and indicators as specified in the Performance Agreement (PA) and Performance Plan and maintained this in all areas of responsibility throughout the year.
